Zahra Irshad

Web Developer

📞 03206209100 | 📍 Gulberg Road, Model Town A

Profile

Motivated and passionate web developer with strong interest in modern web technologies. I completed my computer course from The Computer Courses Bahawalpur where I gained knowledge about computer systems and basic web development. Currently studying BS Computer Science and continuously improving my programming and development skills. My aim is to become a professional web developer and create modern, user-friendly websites.
